PROFILE

I am Sarwar Ahmed Emran, a dedicated and disciplined student currently pursuing my Bachelor's degree in Computer Science and Engineering at Metropolitan University Bangladesh. As a young and passionate learner in the field of technology, I am actively involved in academic projects and research activities related to computer science.

VOLUNTEERING

SCOUT AND ROVER SCOUT 2013 - Present

I am a Rover Scout and was previously a Scout. Through this movement, I have completed many courses and participated in various volunteering events. I have also attended multiple camps in different situations. As a Scout, I have contributed to my country in many ways, such as helping people, cleaning the community, planting trees, and managing traffic.

Name of some courses: Petrol leader course 2016, Met course 2023.

Name of some camps: PS award camp 2019, Rover Moot 2024, 6th sylhet district scout assembly 2017, 2nd regional comdeca 2017.

KNOCKING COLLABORATORS YOUTH FOUNDATION

2022 - Present

Since 2022, I have been working with Knocking Collaborators Youth Foundation (KCYF), where I have actively engaged in various voluntary activities. During this time, I helped organize impactful events like the "KCYF Leadership Summit 2023 and 2024," focusing on leadership and volunteering. We also carried out social activities and charity events, such as "Cha Patay Shishir Jome, Sekhane Ki Alo Pore?" and the "Sit Bostro Bitoron" (Winter Clothing Distribution) event, where we provided clothes to those suffering from the cold and assisted flood-affected people. Additionally, we arranged public speaking and debate competitions for students. Through these experiences, I have developed expertise in volunteering and communication.

METROPOLITAN UNIVERSITY DISASTER RESPONSE UNIT

2024 - Present

I am proudly serving as a Commandant at the Metropolitan University Disaster Response Unit, where I lead and participate in humanitarian efforts during times of crisis. In this role, I actively engage in rescue operations, provide basic medical assistance, and coordinate the distribution of relief materials to affected individuals and communities.

Independently, I rescue cats and have saved over 10 so far. I provide them with the necessary treatment, and once they are ready to live outside, I release them in a safe place.

ACHIEVEMENTS

- Student Secretary at Metropolitan University CSE Society.
- RM (Rover Met) at Rover Scout and was PL (Petrol Leader) at scout.
- Secretary Program at Metropolitan University Rover Scout Group.

Alongside my studies, I also work part-time as a photo editor for a wedding photography and videography business.

Tutor

2022 - Present

In addition to my academic commitments, I also work as a private tutor, teaching students in various subjects.

HOBBY & INTERESTS

Traveling is my greatest hobby, and I usually travel a lot. I have visited almost 13 districts of Bangladesh and explored every spot in Sylhet.

I like to write something whatever I feel or want to express.
